The purpose of this transmittal is to request your support for the 2010 Chicagoland Safety & Health Conference. The Northeastern Illinois, Greater Chicago and Three Rivers Chapters of the American Society of Safety Engineers in association with Northern Illinois University, OSHA and the Chicago Section of the American Industrial Hygiene Association will host this Conference at the NIU campus in Naperville, IL. The proceeds from this event have been earmarked for the promotion of our profession by each of the host Chapters in the form of scholarship programs on the local and national level.

This year's Conference represents the 22<sup>nd</sup> consecutive year with the common goal of promoting environmental safety and health in the Chicago area. The program attracts and educates 350-400 professionals each year. Please review the following corporate sponsorship levels and pledge your support for this very successful annual event.
